**Our Line up of Products and Services**  
**Fascinating – Unique – Environmentally Sound**

**BigToys – [www.bigtoys.com](http://www.bigtoys.com)**  
**Made in the USA**

When it comes to being environmentally sound...  
We are the industry leader.

- Recycled materials – 100% free of PVC
- 98% post consumer plastic
- 78% reclaimed steel
- Products for ages 6 mos-23mos, 2-5 and 5-12
- MA State Contract FAC 54 – Sustainable Materials

**Rocks n Ropes – [www.upcparks.com](http://www.upcparks.com)**  
**Made in the USA**

- This is THE NATURAL PLAY system for ages 2-5 and ages 5-12.
- These are the real deal – solid – durable – and with the attaching ropes adds new dynamic
- Let us show you the superiority of these real Rocks over the GRFC “fake-rocks”

**ClimbiNet – [www.climbinet.com](http://www.climbinet.com)**  
**Made in Canada**

- Most Climbing Net Companies feature a **nylon** core rope with surrounding steel strands – ClimbiNet is exclusively built with a **steel** core
- Pure Climbing; Encourages Active Play; Teamwork; Imaginative Play; Eye/Hand Coordination.
- The safety track record is incredible – lets us show you how we are a step above the rest

**Elephant Play – [www.elephantplay.com](http://www.elephantplay.com)  
Made in Canada**

- How cool are these!
- Approved by IPEMA and ASTM for Public Playground use.
- Note the attaching points to the side supports of the swing; that's what sets them aside
- The bouncing rubber pad surrounded by a net – these are different!
- Multi Kid Swings
- Net Structures that spin, rotate and/or have a rubber bounce-floor
- Motion – Motion – Motion – check out the catalog and their web site to see videos!

**Columbia Cascade – [www.timberform.com](http://www.timberform.com)  
Made in the USA**

- PipeLine – strongest in the industry
- Timberform/Recycled plastics
- Bicycle Racks – Bollards - Site Amenities
- *Embankment Slide Specialists*
- Incredibly unique THEME-based events
- Fitness Trails/Cluster

**Wind Harps – [www.soundscapeinternational.com](http://www.soundscapeinternational.com)  
Made in the USA**

- Powered only by the forces of nature
- Designated for areas for contemplation
- Sitting areas – Lookout Areas – Solitude
- There becomes a connection to the elements
- Dozens or designs – each handcrafted
- Art...Sound...Science
- Titanium Steel/Alloy Aluminum/Stainless Steel
- Create a “sound” garden ~ using only the wind

**Indoor Climbing Walls – [www.everactivebrands.com](http://www.everactivebrands.com)  
Made in the USA**

- Designed specifically for the 2-5 Age Group
- Panels are 6' 10" tall x 4' wide – *MAGNETIC!*
- Each Panel comes with an attached floor mat
- Link as many panels as you like
- Excellent for hallways, gyms, classrooms
- Mats fold up – and are secured closed!

**Outdoor Adult Fitness – [www.norwell-usa.com](http://www.norwell-usa.com)  
Danish Engineering – Made in China (Danish Factory)**

- Outdoor Fitness Equipment for Adults & Seniors
- All STAINLESS STEEL construction
- Mixes Form & Function
- Cardiovascular ~ Balance ~ Strength ~ Flexibility
- This is truly *DESIGNED FOR PEOPLE*
- Your own body weight sets the resistance
- No adjustment controls – Easy to operate
- 16 events in which to choose (all come with instructions)
- Strengthen your Core Muscles – Let's get in Shape!
